

X10

designed by Dorigo Design

**Spherical equilibrium.
X10 executive table:
where innovation meets
craftsmanship.
A sculpted and enveloping
work surface, a curved
wood domesticated with
artisan expertise.**

Equilibrio rotondo.
Tavolo direzionale X10 la sintesi di ingegno e manualità.
Un piano di lavoro scultoreo e avvolgente, un legno curvo
addomesticato con sapienza artigiana.

The smooth profiles and fine finishes of the legs and table top exude a very deliberate yet immediate elegance. The proportions are precise and just so, guaranteeing both functional and aesthetic comfort.

Le linee morbide e le finiture pregiate di gambe e piano esprimono un'eleganza studiata eppure immediata. Le proporzioni assecondano un calcolo preciso e perfetto, restituendo un comfort funzionale ed estetico.

The material and fertile combination of wood and hand-stitched leather creates a contemporary aesthetic that adapts perfectly to executive environments and meeting rooms, perfectly in keeping with a cosmopolitan managerial style.

L'accostamento materico e fertile tra legno e cuoio cucito a mano dà vita ad innesti estetici contemporanei, che ben si adattano agli ambienti direzionali e alle sale riunioni, per raccontare uno stile manageriale cosmopolita.
